MidAmerica Farmer Grower

PERRYVILLE, MO.

Farmers and agribusinessmen who want to keep abreast of the latest information available in *MidAmerica Farmer Grower* can sign up to receive the weekly e-newsletter which is coming soon.

Already *MidAmerica Farmer Grower* is compiling a large email contact list for the service on its digital edition.

Those who log on to <www.mafg.net> for the digital edition can submit their email address to receive the weekly e-newsletter which will pro-

vide highlights of front page stories, a link to informational videos, and links to the latest agriculture data.

By submitting your email address you can be sure that you will be alerted to the stories on the most important issues facing agri-businessmen and producers.

It's easy and it's free. Just log on to <www.mafg.net> and submit your email address. Highlights of the most important topics will come directly to your inbox each week. Δ
